## Descriptive Notes About Housing

These rooms are donated by Indian Mountain School

There are no students boarding over the summer. However, some faculty members live in the dorms at Indian Mountain with their immediate family members and prefer a quiet living environment

all remark how beautiful the setting is at the school

welcome to bring bikes, kites (lockable area available). Hiking encouraged

dorm room are more basic than college dorm rooms with 2 beds and 2 dressers and a window

The common room space is shared

The use of the faculty kitchen is shared

Men have a shared bathroom/Women have a shared bathroom 1 for women, one for men)

dorm style private shower stalls

bring bikes (lockable area)

one dedicated room for UConn, two beds  
key to dorm building so you can come and go as you please;  
individual dorm rooms do not have locks

the students in the dorms and take hikes and go out to dinner everynight

One year med students were given tickets to a local playhouse  
Program provides discounts at local restaurants  
In the past the host sites Sharon, HRH provide breakfast and lunch, have provided breakfast and lunch
